FATHER DAVE

I like snow. It replenishes our water table. It helps restore fruitfulness to the fields. It soaks into the ground better than rain after a thunderstorm. It also keeps me inside more than I want, but I put up with this for the greater good of the earth.

LITURGY AND EXPOSITION

We believe in the change of bread and wine into the body and blood of Christ. We believe that in the action of the eucharist, God sends his Spirit to change the substance of bread and substance of wine into the substance of the body and the substance of the blood of Christ. We believe that as long as the appearances of the bread and wine remain, the body and blood of Christ remain.

For this reason, we can take communion as viaticum to the dying. For this reason, we can take the eucharist to shut-ins so that they can share in the Sunday eucharist with us. For this reason, we can reserve the eucharist for both public and private adoration. We have private adoration in the tabernacle at any time. We do public adoration only at set times in a liturgical setting.

We have had public adoration on Thursdays for over ten years. Some of those who volunteered long ago have had to retire for reasons of health. We need at least one person before the eucharist at all times in order to have exposition. We can no longer guarantee this. We need more people to volunteer at least a half hour every Thursday between 8:30 and 5:30.

I have decided, therefore, to suspend exposition for two weeks so that we can regroup our forces and fill out the vacant spots on our schedule for adoration. I think we can do it this week so that we can resume adoration February 19. Please fill out the schedule in the back of church after Mass.

He commands even the unclean spirits and they obey him.

ISSUES ABOUT LIFE

Writing to our Congressman and senators can help prevent the introduction or passage of legislation against life. We can argue that we do not need prevention, and maybe we do not, but perhaps we do. Many people have expressed concern over The Freedom of Choice Act. The name says one thing, but the reality would give some people no choice. We put postcards with last week’s bulletin and left some at the entrances to church. You can send them, write a letter, send an e-mail or phone our senators and congressman.
