FATHER DAVE'S COLUMN

I once asked a young person to give me one good reason why he should get married. I probably should not have asked the question, but I did and he gave me his answer as plain as day, "because," he said, "I think God has called me to marriage." Then he gave me all the things that supported his conclusion. The young man apparently had done his homework by praying to God for guidance and sign.

He gave an excellent reason. Unless God calls us to a certain state, we have no business going there. This holds for marriage, but it also holds for celibacy, the priesthood and the religious life.

I write this because I see many young people in the parish who could find their fulfillment in the priesthood or religious life, if God so calls them. I see many others who could make good spouses and parents, if God so calls them. I hope we all pray that God direct us and send us signs of the callings he has for us.

LITURGY

We grow and change, but we always remain the same. The Liturgy has changed over the centuries, but the Liturgy remains the same. In fifteen months, we shall see more changes in the Liturgy, the Liturgy will remain the same. Jennifer Paulus will lead us in a four-session discussion of the liturgy and the coming changes. Please mark your calendars.

Mark September 26 and October 3, 24 and 31, from 12:30 to 2:30 in the basement of St Denis Church for these sessions. Jennifer will draw on her experience as a teacher and her study of the changes to present a moving and valuable experience for us.

"There will be rejoicing among the angels of God over one sinner who repents."

SEMINARIANS FOUR

Holy Family parish and St Denis Parish proudly present our seminarians, complete with internet addresses:

On third base and looking forward to ordination 2011: Joseph Grilliot, CPPS: joegrilliot@gmail.com On second base and entering the first year of theology: Eric Wood at ewood0501@hotmail.com On first base and entering the first year of college: Joe Gehret at www.joegehret.blogspot.com ("Check out my blog"). Batting in the fourth spot, {fill in *your* name and stats}.

PARKING LOT AT HOLY FAMILY

I have noticed that a while back someone crashed into one of the reflector poles protecting the new well. I had thought that the person who did this would own up to it. No one has. The size of the tire tracks seems to indicate something smaller than an automobile, possible a four-wheeler, but I do not know. I think the person who did the damage ought, at least, own up to it. I think such person ought also to apologize to the parish by reporting to the pastor. I promise not to break "every bone in his body", report him to the sheriff, sue him or do any other negative things to him, but to welcome him graciously.

STEWARDSHIP COMING

Stewardship means using all that we have as gift from God, not as owned by us. In a certain way, we do own things and have the right to use, sell or keep things. In a more fundamental sense, however, all that we have we have received from God.

We usually speak of our things in three categories, time, talent and treasure. The talents we have, we have from God, for us to use and not misuse. The time of our life we have from God, to which we cannot add another second. The possessions we have, land, clothes, money we have from God.

The stewardship program we shall start September 25 will help us enhance our Sunday offerings. We hope that this will put our parishes on a more solid financial foundation so that we can respond to our needs better in the future.

DIRECT DEPOSIT

The Archbishop has encouraged us pastors to promote electronic giving. This includes direct deposit. This enables people to continue to contribute to their parish while on vacation away from home. It can also allow people to make automatic contributions to the parish on a weekly or monthly basis.

Part of me finds electronic banking mystifying. Several companies with which I deal, cash my checks on-line. It has taken me a while to get used to the extra effort to balance my checking account. On the other hand, on-line banking does have some benefits. I think I could easily pay my estimated income tax electronically every month instead of having to write a check every quarter.

I think the parish would benefit financially if parishioners would use direct deposit. Direct deposit would guarantee better the security of contributions made by eliminating the middle handlers of money.

Pledge Connect will handle our on-line giving. If interested, we can give you more information at the office.

TRIP TO MEXICO

Mike Gable of the Archdiocesan Mission Office will coordinate a trip to Oaxaca, Mexico. We have set the dates for January 3-10, 2011. If you have an interest in going, please call the office so we can give you more details.

CCD PARKING AT ST DENIS

CCD starts next week, September 15. For the first time in many years, we shall have a students coming on the same day. Holy Family will continue having the same schedule as in past years, but St Denis will have a more congested schedule. To help with parking at St Denis, we have prepared a map of the lot at St Denis. We think that if everybody follows these directions, the parking will go more smoothly. You can find the directives on the back of this sheet.

SIGNING MASS

Elaine Bergman will sign the 11:00 Mass on October 3. Please invited your family and friends who would benefit from a signed Mass to come and worship with us.

STATE OF THE HEART HOSPICE

Have you considered volunteering in our community? State of the Heart Hospice has scheduled orientation for new volunteers from September 21 to October 5. CATECHETICAL AND YOUTH MINISTRY PARKING AT ST DENIS

First Session (6:00-7:00; Grades 1-6)

Catechetical leaders should enter the church lot from Ward Street or from Center Street and park close to the picket fence, the school or the church building.

Parents should enter the church lot from Ward Street or from Center Street close to the picket fence (Northwest Entrance). They should park facing directly east (Second St). They should disregard the lines used for Mass on Sundays. When students leave class at 7:00 p.m., their parents should park in the same area each week if at all possible.

All traffic after CCD exits east to Second Street.

Second Session (7:30-8:30; Grades 7-12)

All should use extra caution as those involved in the first session may still remain on the premises. Remain alert for pedestrian traffic. All should use the Ward Street and Center Street. Catechists and Staff have reserved parking at the fence, church and school building. The rest should park facing east. Drivers should exercise care so as not to block cars still parked from the earlier session. All traffic after CCD exits east to Second Street.

Youth Ministry (6:15 to 7:25).

If driving, students should enter from Center Street (Southwest Entrance), closer to the traffic light than to the fence. They should park in the area immediately west of the school (across from the post office). They should park so as not to block the vehicles of those attending the first session. All traffic will move east to Second Street to exit at the end of CCD.
